PART V

SECTION M - EVALUATION FACTORS

M.1 Evaluation for Award

The Courts intend to make an award to the responsible firm whose proposal represents the best value to the Courts. The evaluation criteria are listed in M.2 below in descending order of importance. The Courts may award a contract upon the basis of initial offers received, without discussions. Therefore, each initial offer shall contain the offeror's best terms from a cost and technical standpoint. The Courts reserve the right to reject any or all proposals determined to be inadequate or unacceptable. All proposals shall be reviewed and evaluated by a Source Selection Evaluation Board (SSEB) to be designated by the Courts' Contracting Officer or his designee. A recommendation for award shall be submitted to the Courts' Contracting Officer for final approval.

M.2 Evaluation Criteria

The evaluation factors set forth below shall be used to evaluate each proposal. The maximum points for technical are 100 total points. The criteria for evaluating the proposals and their respective points are as follows:

No.	EVALUATION CRITERIA	Points
1	Signal / Service Coverage (Please refer to Section C, subsection C.8)	0 - 45
2	Transition Plan (Please refer to Section C, subsection C.1)	0 - 35
3	Equipment (Please refer to Section C, subsection C.2)	0 - 20
TOTAL		100

M.3 Price Proposal Evaluation

M.3.1 The Courts will not rate or score price, but will evaluate each offeror's price proposal for realism, reasonableness, and completeness. This evaluation will reflect the offeror's understanding of the solicitation requirements and the validity of the offeror's approach to performing the work.

M.3.2 Realism: The Courts will evaluate the realism of the proposed price by assessing the compatibility of proposed price with proposal scope and effect. In the evaluation, the Courts will consider the following:

- a. Do the proposed prices reflect a clear understanding of the requirements?
- b. Do the proposed prices for performing various functional service requirements reflect the likely costs to the offeror in performing the effort with reasonable economy and efficiency?
- c. Are proposed prices unrealistically high or low?
- d. Are the proposed prices consistent with the technical and management/staffing approach (e.g., if the offeror proposes a staff of x people, the price proposal must account for x people)?

M.3.3 Reasonableness: In evaluating reasonableness, the Courts will determine if the offeror's proposed prices, in nature and amount, do not exceed those, which would be incurred by a prudent contractor in the conduct of competitive business. The assessment of reasonableness will take into account the context of the source selection, including current market conditions and other factors that may impact price. In the evaluation, the Courts will consider the following:

- a. Is the proposed price(s) (for Section B – Supplies or Services and Price/Cost) comparable to the independent Courts cost estimate?
- b. Is the proposed labor/skill mix comparable to the projected Courts skill mix and/or sufficient to meet the Section C requirements based upon the offeror's technical and management approach?

M.3.4 Completeness: In evaluating completeness, the Courts will determine if the offeror provides pricing data of sufficient detail to fully support the offer and permit the Courts to evaluate the proposal thoroughly. In the evaluation, the Courts will

consider the following:

- a. Do the proposed prices include all price elements the offeror is likely to incur in performing the effort?
- b. Are proposed prices traceable to requirements?
- c. Do proposed prices account for all requirements?
- d. Are all proposed prices supported with adequate data to permit a thorough evaluation?

The bidder/offeror or Contractor (whichever the case may be) expressly agrees that the validity of any service upon the said Clerk as herein authorized shall not be affected either by the fact that the Contractor was personally within the District of Columbia and otherwise subject to personal service at the time of such service upon the said Clerk or by the fact that the contractor failed to receive a copy of such process, notice or other paper so served upon the said Clerk provided the said Clerk shall have deposited in the United States mail, registered and postage prepaid, a copy of such process, notice, pleading or other paper addressed to the bidder/offeror pr contractor at the address stated in this contract.

15. Termination for Default.

(a) The Contracting Officer may, subject to the provisions of paragraph (c) below, by written notice to the Contractor, terminate the whole or any part of this contract for any of the following reasons:

(1) If the Contractor fails to make delivery of the supplies or to perform the services within the time specified herein or any extension thereof; or

(2) If the Contractor fails to perform any of the other provisions of this contract, or so fails to make progress as to endanger performance of this contract in accordance with its terms, and in either of these two circumstances does not cure such failure within a period of ten (10) days (or such longer period as the Contracting Officer may authorize in writing) after receipt of notice from the Contracting Officer specifying such failure.

(b) In the event the Contracting Officer terminates this contract in whole or in part as provided in paragraph (a) of this clause, the Contracting Officer may procure, upon such terms and in such manner as the Contracting Officer may deem appropriate, supplies or services similar to those so terminated, and the Contractor shall be liable to the Court for any excess costs for similar supplies or services; provided, that the Contractor shall continue the performance of this contract to the extent not terminated under the provisions of this clause.

Such causes may include, but are not restricted to, acts of God or of the public enemy, acts of the District or Federal Government in either their sovereign or contractual capacity, fires, floods, epidemics, quarantine

restrictions, strikes, freight embargoes, and unusually severe weather; but in every case the failure to perform must be beyond the control and without fault or negligence of the Contractor. If the failure to perform is caused by the default of the subcontractor, and if such default arises out of causes beyond the control of both the Contractor and the subcontractor, and without the fault or negligence of either of them, the Contractor shall not be liable for any excess cost for failure to perform, unless the supplies or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit the Contractor to meet the required delivery schedule.

(d) If this contract is terminated as provided in paragraph (a) of this clause, the Court, in addition to any other rights provided in this clause, may require the Contractor to transfer title and deliver to the Court, in the manner and to the extent directed by the Contracting Officer, (i) completed supplies, and (ii) such partially completed supplies and materials, parts, tools, dies, jigs, fixtures plans, drawing information, and contract rights (hereinafter called "manufacturing materials") as the Contractor has specifically produced or specifically acquired for the performance of such part of this contract as has been terminated; and the Contractor shall, upon direction of the Contracting Officer, protect and preserve property in possession of the Contractor in which the Court has an interest. The Court may withhold from amounts otherwise due the Contractor for such completed supplies or manufacturing materials such sum as the Contracting Officer determines to be necessary to protect the Court against loss because of outstanding liens or claims of former lien holders.

(e) If, after notice of termination of this contract under the provisions of this clause, it is determined for any reason that the Contractor was not in default under the provisions of this clause, or that the default was excusable under the provisions of this clause, the rights and obligations of the parties shall, if the contract contains a clause providing for termination of convenience of the Court, be the same as if the notice of termination had been issued pursuant to such clause.

(f) The rights and remedies of the Court provided in this clause shall not be exclusive and are in addition to any other rights and remedies provided by law or under this contract.

inventory not previously disposed of excluding items authorized for disposition by the Contracting Officer. The Contractor may request the Court to remove those items or enter into an agreement for their storage. Within fifteen (15) days, the Court will accept title to those items and remove them or enter into a storage agreement. The Contracting Officer may verify the list upon removal of the items, or if stored, within forty five (45) days from submission of the list, and shall correct the list, as necessary, before final settlement.

(d) After termination, the Contractor shall submit a final termination settlement proposal to the Contracting Officer in the form and with the certification prescribed by the Contracting Officer. The Contractor shall submit the proposal promptly, but no later than one year from the effective date of termination, unless extended in writing by the Contracting Officer upon written request of the Contractor within this one year period. However, if the Contracting Officer determines that the facts justify it, a termination settlement proposal may be received and acted on after one year or any extension. If the Contractor fails to submit the proposal within the time allowed, the Contracting Officer may determine, on the basis of information available, the amount, if any, due to the Contractor because of the termination and shall pay the amount determined.

(e) Subject to paragraph (d) above, the Contractor and the Contracting Officer may agree upon the whole or any part of the amount to be paid because of the termination. The amount may include a reasonable allowance for profit on work done. However, the agreed amount, whether under this paragraph (e) or paragraph (f) below, exclusive of costs shown in subparagraph (f)(3) below, may not exceed the total contract price as reduced by (1) the amount of payment previously made and (2) the contract price of work not terminated. The contract shall be amended, and the Contractor paid the agreed amount. Paragraph (f) below shall not limit, restrict, or affect the amount that may be agreed upon to be paid under this paragraph.

(f) If the Contractor and the Contracting Officer fail to agree on the whole amount to be paid because of the termination work, the Contracting Officer shall pay the Contractor the amounts determined by the Contracting Officer as follows, but without duplication of any amounts agreed on under paragraph (e) above:

(1) The contract price for completed supplies or services accepted by the Court (or sold or acquired under subparagraph (b)(9) above) not previously paid for, adjusted for any saving of freight and other charges.

(2) The total of :

(i) The costs incurred in the performance of the work terminated, including initial costs and preparatory expense allocable thereto, but excluding any costs attributable to supplies or services paid or to be paid under subparagraph (f)(1) above;

(ii) The cost of settling and paying termination settlement proposals under terminated subcontracts that are properly chargeable to the terminated portion of the contract if not included in subparagraph (f)(1) above; and

(iii) A sum, as profit on subparagraph (f)(1) above, determined by the Contracting Officer to be fair and reasonable; however, if it appears that the Contractor would have sustained a loss on the entire contract had it been completed, the Contracting Officer shall allow no profit under this subparagraph (iii) and shall reduce the settlement to reflect the indicated rate of loss.

(3) The reasonable cost of settlement of the work terminated, including-

(i) Accounting, legal, clerical, and other expenses reasonably necessary for the preparation of termination settlement proposals and supporting data;

(ii) The termination and settlement of subcontractors (excluding the amounts of such settlements); and

(iii) Storage, transportation, and other costs incurred, reasonably necessary for the preservation, protection, or disposition of the termination inventory.

(g) Except for normal spoilage, and except to the extent that the Court expressly assumed the risk of loss, the Contracting Officer shall exclude from the amounts payable to the Contractor under paragraph (f) above, the fair value as determined by the Contracting Officer, of property that is destroyed, lost, stolen, or damaged so as to become undeliverable to the Court or to a buyer.

(h) The Contractor shall have the right of appeal, under the Disputes clause, from any determination made by the Contracting Officer under paragraphs (d), (f) or (j), except that if the Contractor failed to submit the termination settlement proposal within the time provided in paragraph (d) or (j), and failed to request a time extension, there is no right of appeal. If the Contracting Officer has made a determination of the amount due under paragraph (d), (f) or (j), the Court will pay the Contractor (1) the amount determined by the Contracting Officer if there is no right of appeal or if no timely appeal has been taken, or (2) the amount finally determined on an appeal.

(i) In arriving at the amount due the Contractor under this clause, there shall be deducted:

(1) All unliquidated advances or other payments to the Contractor under the termination portion of the contract;

(2) Any claim which the Court has against the Contractor under this contract; and

(3) The agreed price for, or the proceeds of sale of, materials, supplies, or other things acquired by the Contractor or sold under the provisions of this clause and not recovered by or credited to the Court.

(j) If the termination is partial, the Contractor may file a proposal with the Contracting Officer for an equitable adjustment of the price(s) of the continued portion of the contract. The Contracting Officer shall make any equitable adjustment agreed upon. Any proposal by the Contractor for an equitable adjustment under this clause shall be requested within ninety (90) days from the effective date of termination unless extended in writing by the Contracting Officer.

(k)(1) The Court may, under the terms and conditions it prescribes, make partial payments and payments against costs incurred by the Contractor for the terminated portion of the contract, if the Contracting Officer believes the total of these payments will not exceed the amount to which the Contractor shall be entitled.

(2) If the total payments exceed the amount finally determined to be due, the Contractor shall repay the excess to the Court upon demand together with interest computed at the rate of 10 percent (10%) per year. Interest shall be computed for the period from the date the excess payment is received by the Contractor to the date the excess payment is repaid. Interest shall not be charged on any excess payment due to a reduction in the Contractor's termination settlement proposal because of retention or other disposition of termination inventory until 10 days after the date of the retention or disposition, or a later date determined by the Contracting Officer because of the circumstances.

(l) Unless otherwise provided in this contract or by statute, the Contractor shall maintain all records and documents relating to the terminated portion of this contract for 3 years after final settlement. This includes all books and other evidence bearing on the Contractor's costs and expenses under this contract. The Contractor shall make these records and documents available to the Court, at the Contractor's office, at all reasonable times, without any direct charge. If approved by the Contracting Officer, photographs, micrographs, or other authentic reproductions may be maintained instead of original records and documents.

17. Termination of Contracts for Certain Crimes and Violations.

(a) The District may terminate without liability any contract and may deduct from the contract price or otherwise recover the full amount of any fee, commission, percentage, gift, or consideration paid in violation of this title if:

(1) The Contractor has been convicted of a crime arising out of or in connection with the procurement of any work to be done or any payment to be made under the contract; or

(2) There has been any breach or violation of:

(A) Any provision of the Procurement Practices Act of 1985, as amended, or

(B) The contract provision against contingent fees.

(b) If a contract is terminated pursuant to this clause, the Contractor:

(1) May be paid only the actual costs of the work performed to the date of termination, plus termination costs, if any; and

(2) Shall refund all profits or fixed fees realized under the Contract.

(c) The rights and remedies contained in this are in addition to any other right or remedy provided by law, and the exercise of any of them is not a waiver of any other right or remedy provided by law.

18. Protests and Disputes.

Any protest or dispute arising under or out of this contract is subject to the provisions of Chapter 8 of the Procurement Guidelines of the District of Columbia Courts (August 2003 or subsequent modifications).

19. Independent Contractor Relationship.

It is expressly understood and agreed that the professional technical personnel assigned by the Contractor to work under this contract are the Contractor's employees or agents. Under no circumstances are such individuals to be considered Court employees or agents. Contractor and its employees shall be considered in an independent contract relationship with the Court at all times.

20. Security.

Contractor agrees that its employees shall treat as strictly confidential, all information received as a result of the performance of this contract. Such information will not, except as required by law, be disclosed to anyone outside of the Court's organization during the period of this contract or thereafter.

21. Officials not to Benefit.

Unless a determination is made as provided herein, no officer or employee of the District of Columbia government shall be admitted to any share or part of this contract or to any benefit arising therefrom, and any contract made by the Contracting Officer or any Court employee authorized to execute contracts in which they or an employee of the Court will be personally interested shall be void, and no payment shall be made thereon by the Court or any officer thereof, but this provision shall not be construed to extend to this contract to the extent that this contract is made with a corporation for the corporation's general benefit. A District employee shall not be a party to a contract with the Court and will not knowingly cause or allow a business concern or other organization owned or substantially owned or controlled by the employee to be a party to such a contract, unless a written determination has been made

by the Court that there is a compelling reason for contracting with the employee, such as when the Court's needs cannot reasonably otherwise be met.

22. Retention and Examination of Books.

The Contractor shall retain all books, records, financial records, supporting documents, statistical records, and any other documents (including electronic storage media) pertinent to the contract for a period of three years after termination of the contract, or if an audit has been initiated and audit findings have not been resolved at the end of three years, the records shall be retained until resolution of the audit findings or any litigation which may be based on the terms of the contract.

The Contractor shall assure that these records shall be subject at all reasonable times to inspection, review, or audit by Federal, Court, or other personnel duly authorized by the Contracting Officer.

The Contracting officer, or his or her duly authorized representative shall, until three years after final payment, have the right to examine any directly pertinent books, documents, papers and records of the Contractor involving transactions related to this contract.

23. Recovery of Debts Owed the Court.

The Contractor hereby agrees that the Court may use all or any portion of any consideration or refund due the Contractor under this contract to satisfy, in whole or part, any debt due to the Court.

24. Appropriation of Funds.

The Court's liability under this contract is contingent upon the availability of appropriated monies with which to make payment for the contract purposes. The legal liability on the part of the Court for the payment of any money shall not arise unless such appropriated monies shall have been provided.

25. Non-Discrimination in Employment.

(a) The Contractor shall not discriminate in any manner against an employee or applicant for employment because of actual or perceived: race, color, religion, national origin, sex, age, marital status, personal appearance, sexual orientation, gender identity or expression, family responsibilities, genetic information, disability, matriculation, or political affiliation, as these terms are defined in the District of Columbia Human Rights Act, as amended (D.C. Official Code § 2-1401.02). The Contractor shall take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their race, color, religion, national origin, sex, age, marital status, personal appearance, sexual orientation, gender identity or expression, family responsibilities, genetic information, disability, matriculation or political affiliation. The affirmative action shall include, but not be limited to the following: employment, upgrading, or transfer; recruitment or recruitment

advertising; demotion, layoff, or termination; rates of pay, or other forms of compensation; and selection for training and apprenticeship.

(b) The Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions in paragraph (a) of this clause.

(c) The Contractor shall, in all solicitations or advertisements for employees placed by or on behalf of the Contractor, state that all qualified applicants will receive consideration for employment without regard to their race, color, religion, national origin, sex, age, marital status, personal appearance, sexual orientation, gender identity or expression, family responsibilities, genetic information, disability, matriculation or political affiliation.

(d) The Contractor agrees to send each labor union or representative of workers with which it has a collective bargaining agreement or other contract or understanding, a notice advising each labor union or worker's representative of the commitment Contractor has made pursuant to paragraph n (a) of this clause.

(e) The Contractor agrees to permit the Contracting Officer or his or her designated representative access to the Contractor's books, records, and accounts, pertaining to its employment practices for purposes of investigation to ascertain compliance with the provisions contained in this clause.

(f) The Contractor shall include in every subcontract the provisions contained in paragraphs (a), (b), (c), (d) and (e) of this clause so that such provisions will be binding upon each subcontractor.

26. Buy American Act.

(a) The Buy American Act (41 U.S.C. §10a) provides that the District of Columbia give preference to domestic end products. "Components," as used in this clause, means those articles, materials, and supplies incorporated directly into the end products. "Domestic end product," as used in this clause, means (1) an un-manufactured end product mined or produced in the United States, or (2) an end product manufactured in the United States, if the cost of its components mined, produced, or manufactured in the United States, exceeds 50 percent of the cost of all its components. Components of foreign origin of the same class or kind as the products referred to in subparagraphs (b)(3) or (4) of this clause shall be treated as domestic. Scrap generated, collected, and prepared for processing in the United States is considered domestic. "End products," as used in this clause, means those articles, materials, and supplies to be acquired for public use under this contract.

(b) The Contractor shall deliver only domestic end products, except those-

(1) For use outside the United States;

(2) For which the Court determines the cost to be unreasonable;

(3) For which the Court determines that domestic preference would be inconsistent with the public interest; or

(4) That the Court determines are not mined, produced, or manufactured in the United States in sufficient and reasonably available commercial quantities of a satisfactory quality.

27. Service Contract Act of 1965.

(a) Definitions. "Act," as used in this clause, means the Service Contract Act of 1965, as amended (41 U.S.C. §351 *et seq.*). "Contractor," as used in this clause, means the prime Contractor or any subcontractor at any tier. "Service employee," as used in this clause, means any person (other than a person employed in a bona fide executive, administrative, or professional capacity as defined in 29 CFR Part 541) engaged in performing a Court contract not exempted under 41 U.S.C. §356, the principal purpose of which is to furnish services in the United States, as defined in section 22.1001 of the Federal Acquisition Regulation. It includes all such persons regardless of the actual or alleged contractual relationship between them and a contractor or subcontractor.

(b) Applicability. To the extent that the Act applies, this contract is subject to the following provisions and to all other applicable provisions of the Act and regulations of the Secretary of Labor (29 CFR Part 4). All interpretations of the Act in Subpart C of 29 CFR Part 4 are incorporated in this contract by reference. This clause does not apply to contracts or subcontracts administratively exempted by the Secretary of Labor or exempted by 41 U.S.C. §356, as interpreted in Subpart C of 29 CFR Part 4.

(c) Compensation. (1) Each service employee employed in the performance of this contract by the Contractor or any subcontractor shall be paid not less than the minimum monetary wages and shall be furnished fringe benefits in accordance with the wages and fringe benefits determined by the Secretary of Labor or the Secretary's authorized representative, as specified in any wage determination attached to this contract.

(2)(A) If a wage determination is attached to this contract, the Contractor shall classify any class of service employee not listed in it, but to be employed under this contract (i.e., the work to be performed is not performed by any classification listed in the wage determination) so as to provide a reasonable relationship (i.e., appropriate level of skill comparison) between such unlisted classifications and the classifications listed in the wage determination. Such conformed class of employees shall be paid the monetary wages and furnished the fringe benefits as are determined pursuant to the procedures in this paragraph (c).

(B) This conforming procedure shall be initiated by the Contractor prior to the performance of contract work by the unlisted class of employee. The Contractor shall submit Standard Form (SF) 1444, Request for Authorization of Additional Classification and Rate, to the Contracting Officer no later than 30 days after the unlisted class of employee performs any contract work. The Contracting Officer shall

review the proposed classification and rate and promptly submit the completed SF 1444 (which must include information regarding the agreement or disagreement of the employees' authorized representatives or the employees themselves together with the agency recommendation), and all pertinent information to the Wage and Hour Division, Employment Standards Administration (ESA), U.S. Department of Labor. The Wage and Hour Division will approve, modify, or disapprove the action or render a final determination in the event of disagreement within 30 days of receipt or will notify the Contracting Officer within 30 days of receipt that additional time is necessary.

(C) The final determination of the conformance action by the Wage and Hour Division shall be transmitted to the Contracting Officer who shall promptly notify the Contractor of the action taken. Each affected employee shall be furnished by the Contractor with a written copy of such determination or it shall be posted as a part of the wage determination.

(D)(i) The process of establishing wage and fringe benefit rates that bear a reasonable relationship to those listed in a wage determination cannot be reduced to any single formula. The approach used may vary from wage determination to wage determination depending on the circumstances. Standard wage and salary administration practices which rank various job classifications by pay grade pursuant to point schemes or other job factors may, for example, be relied upon. Guidance may also be obtained from the way different jobs are rated under Federal pay systems (Federal Wage Board Pay System and the General Schedule) or from other wage determinations issued in the same locality. Basic to the establishment of any conformable wage rate(s) is the concept that a pay relationship should be maintained between job classifications based on the skill required and the duties performed.

(ii) In the case of a contract modification, an exercise of an option, or extension of an existing contract, or in any other case where a Contractor succeeds to a contract under which the classification in question was previously conformed pursuant to this paragraph (c), a new conformed wage rate and fringe benefits may be assigned to the conformed classification by indexing (*i.e.*, adjusting) the previous conformed rate and fringe benefits by an amount equal to the average (mean) percentage increase (or decrease, where appropriate) between the wages and fringe benefits specified for all classifications to be used on the contract which are listed in the current wage determination, and those specified for the corresponding classifications in the previously applicable wage determination. Where conforming actions are accomplished in accordance with this paragraph prior to the performance of contract work by the unlisted class of employees, the Contractor shall advise the Contracting Officer of the action taken but the other procedures in subparagraph (c)(2)(B) of this clause need not be followed.

(iii) No employee engaged in performing work on this contract shall in any event be paid less than the currently applicable minimum wage specified under section 6(a)(1) of the Fair Labor Standards Act of 1938, as amended.

(E) The wage rate and fringe benefits finally determined under subparagraph (c)(2) of this clause shall be paid to all employees performing in the classification from the first day on which contract work is performed by them in the classification. Failure to pay the unlisted employees the compensation agreed upon by the interested parties and/or finally determined by the Wage and Hour Division retroactive to the date such class of employees commenced contract work shall be a violation of the Act and this contract;

(F) Upon discovery of failure to comply with subparagraph (c)(2) of this clause, the Wage and Hour Division shall make a final determination of conformed classification, wage rate, and/or fringe benefits which shall be retroactive to the date such class or classes of employees commenced contract work.

(3) If the term of this contract is more than 1 year, the minimum wages and fringe benefits required for service employees under this contract shall be subject to adjustment after 1 year and not less often than once every 2 years, under wage determinations issued by the Wage and Hour Division.

(d) Obligation to furnish fringe benefits. The Contractor or subcontractor may discharge the obligation to furnish fringe benefits specified in the attachment or determined under subparagraph (c)(2) of this clause by furnishing any equivalent combinations of bona fide fringe benefits, or by making equivalent or differential cash payments, only in accordance with Subpart D of 29 CFR Part 4.

(e) Minimum wage. In the absence of a minimum wage attachment for this contract, neither the Contractor nor any subcontractor shall pay any service or other employees performing work under this contract less than the minimum wage specified by section 6(a)(1) of the Fair Labor Standards Act of 1938, as amended (29 U.S.C. §206). Nothing in this clause shall relieve the Contractor or any subcontractor of any other legal or contractual obligation to pay a higher wage to any employee.

(f) Successor contracts. If this contract succeeds a contract subject to the Act under which substantially the same services were furnished and service employees were paid wages and fringe benefits provided for in a collective bargaining agreement, then, in the absence of a minimum wage attachment to this contract, neither the Contractor nor the subcontractor shall pay any service employee performing this contract less than the wages and fringe benefits, including those accrued and any prospective increases, provided for under that agreement. No Contractor or subcontractor may be relieved of this obligation unless the limitations of 29 CFR 4.1b(b) apply or unless the Secretary of Labor or the Secretary's authorized representative finds, after a hearing under 29 CFR 4.10, that the wages and fringe benefits provided for by that agreement vary substantially from those prevailing for similar services in the locality or determines, as provided in 29 CFR 4.11, that the collective bargaining agreement applicable to service employees employed under the predecessor contract was not entered into as a result of arm's length negotiations. Where it is found in accordance with the review procedures provided in 29 CFR 4.10 and 4.11 and parts 6 and 8 that some or all of the

wages and/or fringe benefits contained in a predecessor Contractor's collective bargaining agreement are substantially at variance with those which prevail for services of a character similar in the locality, and/or that the collective bargaining agreement applicable to service employees employed under the predecessor contract was not entered into as a result of arm's length negotiations, the Department will issue a new or revised wage determination setting forth the applicable wage rates and fringe benefits. Such determination shall be made part of the contract or subcontract, in accordance with the decision of the Administrator, the Administrative Law Judge, or the Board of Service Contract Appeals, as the case may be, irrespective of whether such issuance occurs prior to or after the award of a contract or subcontract (53 Comp. Gen. 401 (1973)). In the case of a wage determination issued solely as a result of a finding of substantial variance, such determination shall be effective as of the date of the final administrative decision.

(g) Notification to employees. The Contractor and any subcontractor shall notify each service employee commencing work on this contract of the minimum wage and any fringe benefits required to be paid, or shall post the wage determination attached to this contract. The poster provided by the Department of Labor (Publication WH 1313) shall be posted in a prominent and accessible place at the worksite. Failure to comply with this requirement is a violation of section 2(a)(4) of the Act and of this contract.

(h) Safe and sanitary working conditions. The Contractor or subcontractor shall not permit services called for by this contract to be performed in buildings or surroundings or under working conditions provided by or under the control or supervision of the Contractor or subcontractor that are unsanitary, hazardous, or dangerous to the health or safety of service employees. The Contractor or subcontractor shall comply with the health standards applied under 29 CFR Part 1925.

(i) Records. (1) The Contractor and each subcontractor shall maintain for 3 years from the completion of work, and make available for inspection and transcription by authorized ESA representatives, a record of the following:

(A) For each employee subject to the Act:

(i) Name, address and social security number;

(ii) Work classification or classifications, rate or rates of wages and fringe benefits provided, rate or rates of payments in lieu of fringe benefits, and total daily and weekly compensation;

(iii) Daily and weekly hours worked; and

(iv) Any deductions, rebates, or refunds from total daily or weekly compensation.

(B) For those classes of service employees not included in any wage determination attached to this contract, wage rates or fringe benefits determined by the interested

parties or by ESA under the terms of paragraph (c) of this clause. A copy of the report required by subparagraph (c)(2)(B) of this clause will fulfill this requirement.

(2) The Contractor shall also make available a copy of this contract for inspection or transcription by authorized representatives of the Wage and Hour Division.

(3) Failure to make and maintain or to make available these records for inspection and transcription shall be a violation of the regulations and this contract, and in the case of failure to produce these records, the Contracting Officer, upon direction of the Department of Labor and notification to the Contractor, shall take action to cause suspension of any further payment or advance of funds until the violation ceases.

(4) The Contractor shall permit authorized representatives of the Wage and Hour Division to conduct interviews with employees at the worksite during normal working hours.

(j) Pay periods. The Contractor shall unconditionally pay to each employee subject to the Act all wages due free and clear and without subsequent deduction (except as otherwise provided by law or regulations, 29 CFR part 4), rebate, or kickback on any account. These payments shall be made no later than one pay period following the end of the regular pay period in which the wages were earned or accrued. A pay period under this Act may not be of any duration longer than semi-monthly.

(k) Withholding of payments and termination of contract. The Contracting Officer shall withhold from the prime Contractor under this or any other Court contract with the prime contractor any sums the Contracting Officer, or an appropriate officer of the Labor Department, decides may be necessary to pay underpaid employees of the Contractor or subcontractor. In the event of failure to pay any employees subject to the Act all or part of the wages or fringe benefits due under the Act, the Contracting Officer may, after authorization or by direction of the Department of Labor and written notification to the Contractor, take action to cause suspension of any further payment or advance of funds until such violations have ceased. Additionally, any failure to comply with the requirements of this clause may be grounds for termination for default. In such event, the Court may enter into other contracts or arrangements for completion of the work, charging the Contractor in default with any additional cost.

(l) Subcontracts. The Contractor agrees to insert this clause in all subcontracts.

(m) Contractor's report.

(1) If there is a wage determination attachment to this contract and any classes of service employees not listed on it are to be employed under the contract, the Contractor shall report promptly to the Contracting Officer the wages to be paid and the fringe benefits to be provided each of these classes, when determined under paragraph (c) of this clause.

(2) If wages to be paid or fringe benefits to be furnished any service employees under the contract are covered in a collective bargaining agreement effective at any time when the contract is being performed, the Contractor shall provide to the Contracting Officer a copy of the agreement and full information on the application and accrual of wages and benefits (including any prospective increases) to service employees working on the contract. The Contractor shall report when contract performance begins, in the case of agreements then in effect, and shall report subsequently effective agreements, provisions, or amendments promptly after they are negotiated.

(n) Contractor's Certification. By entering into this contract, the Contractor (and officials thereof) certifies that neither it (nor he or she) nor any person or firm who has a substantial interest in the Contractor's firm is a person or firm ineligible to be awarded Court contracts by virtue of the sanctions imposed under section 5 of the Act. No part of this contract shall be subcontracted to any person or firm ineligible for award of a Court contract under section 5 of the Act. The penalty for making false statements is prescribed in the D.C. Code § 22-2405.

(o) Variations, tolerances, and exemptions involving employment. Notwithstanding any of the provisions in paragraphs (c) through (l) of this clause, the following employees may be employed in accordance with the following variations, tolerances, and exemptions authorized by the Secretary of Labor.

(1) In accordance with regulations issued under Section 14 of the Fair Labor Standards Act of 1938 by the Administrator of the Wage and Hour Division, ESA (29 CFR parts 520, 521, 524, and 525), apprentices, student learners, and workers whose earning capacity is impaired by age or by physical or mental deficiency or injury, may be employed at wages lower than the minimum wages otherwise required by section 2(a)(1) or 2(b)(1) of the Service Contract Act, without diminishing any fringe benefits or payments in lieu of these benefits required under section 2(a)(2) of the Act.

(2) The Administrator will issue certificates under the Act for employing apprentices, student-learners, handicapped persons, or handicapped clients of sheltered workshops not subject to the Fair Labor Standards Act of 1938, or subject to different minimum rates of pay under the two acts, authorizing appropriate rates of minimum wages, but without changing requirements concerning fringe benefits or supplementary cash payments in lieu of these benefits.

(3) The Administrator may also withdraw, annul, or cancel such certificates under 29 CFR parts 525 and 528.

(p) Tips. An employee engaged in an occupation in which the employee customarily and regularly receives more than \$30 a month in tips shall be credited by the employer against the minimum wage required by section 2(a)(1) or section 2(b)(1) of the Act, in accordance with regulations in 29 CFR part 531. However, the amount of credit shall not exceed 40 percent of the minimum rate specified in section 6(a)(1) of the Fair Labor Standards Act of 1938 as amended.

28. WALSH-HEALEY PUBLIC CONTRACTS ACT:

(a) All representations and stipulations required by the Act and regulations issued by the Secretary of Labor (41 CFR Chapter 50) are incorporated by reference. These representations and stipulations are subject to all applicable rulings and interpretations of the Secretary of Labor that are now, or may hereafter, be in effect.

(b) All employees whose work relates to this contract shall be paid not less than the minimum wage prescribed by regulations issued by the Secretary of Labor (41 CFR 50-202.2). Learners, student learners, apprentices, and handicapped workers may be employed at less than the prescribed minimum wage (see 41 CFR 50-202.3) to the same extent that such employment is permitted under Section 14 of the Fair Labor Standards Act (41 U.S.C. 40).

29. Governing Law.

This contract shall be governed by the laws of the District of Columbia both as to interpretation and performance.

30. Multiyear Contract.

If this contract is a multiyear contract, then the following provision is made part of this contract: If funds are not appropriated or otherwise made available for the continued performance in a subsequent year of a multiyear contract, the contract for the subsequent year shall be terminated, either automatically or in accordance with the termination clause of the contract. Unless otherwise provided for in the contract, the effect of termination is to discharge both the Court and the Contractor from future performance of the contract, but not from the existing obligations. The Contractor shall be reimbursed for the reasonable value of any non-recurring costs incurred but not amortized in the price of the supplies or services delivered under the contract.
