Notice of Intent to Seek Non-Jury Vehicle Fast Track

By filing this complaint with a request for damages not to exceed \$50,000.00 and without a jury demanded, Plaintiff(s) provides notice of their intent to seek the Non-Jury Vehicle Fast Track (NVFT) scheduling order for this litigation¹. The NVFT requires that all parties to the litigation waive their right to a jury trial, and that requested damages cannot exceed \$50,000.00.

The NVFT includes the following litigation parameters:

1. All parties are to confirm both their waiver of a jury demand and their consent to proceed on the NVFT either at the Initial Scheduling Conference or by Notice to Court submitted in accordance with Super. Ct. Civ. R. 16(b)(2).
2. Discovery is limited to interrogatories pursuant to Super. Ct. Civ. R. 33 and requests for production of documents pursuant to Super. Ct. Civ. R. 34 ONLY.
3. Interrogatories and requests for production of documents are to be served no later than 20 days after the issuance of a NVFT Scheduling Order.
4. Responses to discovery requests on the NVFT are due 20 days after receipt of the requests.
5. Discovery will close within 40 days of the issuance of the NVFT Scheduling Order.
6. A non-jury trial will be scheduled at the Initial Scheduling Conference for a date no later than 120 days after the Initial Scheduling Conference. No Pretrial Conference will be scheduled.
7. All medical bills, medical records, and property damage invoices will be admitted at trial without testimony and must be exchanged no later than 60 days prior to the trial date.
8. The NVFT does not include a mandatory mediation requirement; parties may jointly request the scheduling of a mediation with the Multi-Door Dispute Resolution Center.

¹ If a Defendant chooses not to waive their right to a jury trial, Plaintiff(s) may amend their Complaint to increase the ad damnum clause.
