

NOTICE OF THE JULY 2018
BAR EXAMINATION RESULTS

November 9, 2018

Notice is hereby given that the list published herewith contains the names of 1140 successful applicants of the District of Columbia Bar Examination administered on July 24th and 25th, 2018, to 1702 applicants. This represents a 67% pass rate overall.

The members of the Committee on Admissions request that any information tending to affect the eligibility of any of these applicants on moral or ethical grounds be furnished to the Committee on Admissions on or before Monday, December 10, 2018.

Character and fitness review must be completed before an applicant may be approved and certified for admission.

Certification notices will be sent via email beginning on Tuesday, December 11, 2018. Applicants may opt to attend swearing in ceremonies on Friday, January 25, 2019, OR be sworn in, in absentia in any jurisdiction. Complete instructions regarding the swearing-in process will be provided with exam results, which will be e-mailed to all applicants within the next 14 days. **No results will be given or verified over the phone.**

Individuals whose names do not appear on this list should be aware that pursuant to D.C. App. Rule 46(c)(12), they are entitled to an opportunity to review their essay papers. This post-examination review will be held on Wednesday, December 19, 2018 at the D.C. Court of Appeals, located at 430 E Street NW, Washington D.C. Should you choose to participate in the review, you must notify the Committee's staff on or before Friday, December 14th in writing by sending an email to coa@dcappeals.gov. Write "Essay review" in the subject line of the email.

Please note that under UBE rules and Rule 46 (as revised effective March 2016), the Committee can no longer accept petitions by applicants for review of their scores; the scores are in fact final.

For unsuccessful applicants who wish to register for the February exam, the regular filing dates are November 15 through December 15. The late filing period is December 16 through December 31.
