

As you are aware, the D.C. Court of Appeals has had to adapt and modify its operations due to the COVID-19 pandemic. Further, due to technical difficulties, the court took the public access and eFiling down for maintenance. These technical difficulties resulted in a delayed release of the May calendar. The Court of Appeals continues its operations and remains open although our court building is closed to the public. Below please find the final May 2020 calendar. Thank you for your patience.
