

## DISTRICT OF COLUMBIA COURTS ADMINISTRATIVE ORDER

### ORDER

(FILED – June 17, 2024)

#### Artificial Intelligence Task Force of the District of Columbia Courts Amendment

WHEREAS, the Artificial Intelligence Task Force of the District of Columbia Courts was established effective March 5, 2024, with the following purposes: 1) Examine best practices on the use of AI and help shape future best practices on the use of AI in the courts; 2) Develop a roadmap for the use of Artificial Intelligence (AI) in the D.C. Courts; 3) Examine the use of AI to make court operations more efficient and effective for judges and staff; 4) Understand the current implications of AI's evolution on the D.C. Courts; 5) Ensure that AI is used appropriately and the integrity of the court process is preserved and maintained; 6) Explore the use of AI to make court processes and services more accessible to the public considering the digital divide and equity issues; 7) Examine the potential use of AI to assist judicial officers in the development of orders, opinions and other court pleadings to ensure the fair and timely administration of justice and the integrity of the court process; and 8) Develop court rules with respect to disclosure, transparency, ethics, accuracy, authenticity and certification of AI use in court pleadings and proceedings. After consultation with the Chief Judges of both Courts and the Executive Officer of the D.C. Courts, it is

ORDERED that Jasmine Burns, PhD, Senior Court Manager – Executive Office has been added as a member of the Artificial Intelligence Task Force.

BY THE D.C. COURTS:

Anna Blackburne-Rigsby  
Chief Judge  
D.C. Court of Appeals

Anita M. Josey-Herring  
Chief Judge  
D.C. Superior Court

Herbert Rouson, Jr.  
Executive Officer  
D.C. Courts
