

**District of Columbia
Court of Appeals**

M-294-26

BEFORE: Blackburne-Rigsby, Chief Judge, and Beckwith, Easterly, McLeese,
Deahl, Howard, and Shanker, Associate Judges.

ORDER

(FILED – March 27, 2026)

In February 2026, the court issued a notice and order indicating that it was tentatively not inclined to adopt the 2025 amendments to the Federal Rules of Appellate Procedure, which go into effect automatically in this court unless the court orders otherwise. The court did not receive any comments in response to that notice. It is hereby

ORDERED that the 2025 amendments to the Federal Rules of Appellate Procedure are not adopted by this court.
