The Court is expanding the types and number of cases it will hear through Friday, April 8, 2022.

To the extent that a case type has not been identified below, all nonpriority matters scheduled through Friday, April 8, 2022, will be rescheduled and new dates set; emergency matters will be heard as scheduled by the Court and as set forth below.

## **FAMILY COURT**

Unless otherwise ordered by the Court, all deadlines and time limits in statutes, court rules, and standing orders and other orders issued by the Court that would otherwise expire are suspended, tolled and extended during the period pending further order of the Court, except for the following:

1. Abuse and Neglect Cases and Related Matters:

Motions practice and discovery in Neglect matters, Adoption matters, Termination of Parental Rights matters, and Guardianship matters shall continue to be governed by applicable Superior Court rules unless otherwise directed by the assigned judge. Adoptions and Safe Family Act (ASFA) deadlines shall remain in effect.

Adoption petitions may be filed electronically, via digital drop box at <https://dcscgov.app.box.com/f/aeaf4eb2153743519a495d3f95d26c93>. All other pleadings in adoption matters may be filed remotely via E-Filing/CaseFileXpress.

## 2. Domestic Relations Cases:

Counsel and parties are expected to comply with applicable procedural rules including service within 60 days, and the filing of motions and oppositions unless otherwise directed by the assigned judge. All deadlines in orders issued on or after March 20, 2020 stand. All deadlines in orders issued before March 20, 2020 are extended by 90 days. Failure to file proof of service of post judgment motions within 60 days may result in dismissal without prejudice by the clerk.

Because individuals are likely unable to comply with social distancing and “diligent efforts” to serve (either personally or by going to the post office to obtain a certified mail), electronic service via text message or email is permissible in accordance with Rule 4(c)(3)(B) without further order of the Court. The serving party must prove service to the satisfaction of the assigned judge, including showing that the electronic method of service was “reasonably calculated to give actual notice.” Parties cannot serve electronically under Rule 4(c)(3)(B) if personal service is required by statute, including D.C. Code §§ 13-332 (requiring personal service on minors), 13-333 (requiring personal service on incompetent persons), and 46-206 (requiring personal service of the notice in cases involving support).

Pursuant to Super. Ct. Dom. Rel. R. 5(d)(5)(B), the court authorizes parties to electronically file any affidavit of service of process.

## 3. Mental Habilitation Cases:

Counsel for Respondents shall continue to file Updated Status Reports pursuant to Administrative Order No 00-06, and to the extent possible, shall file Respondents Reports on Informed Consent for Voluntary Commitment and Substitute Decision Maker Reports. Parties shall comply with any existing order to file a special report or specific document. Parties shall comply with any existing order (a) requiring participants to convene meetings or (b) requiring the Department of Disability Services to provide specific services or supports to the extent possible, in light of the pandemic.

## **The Family Court will conduct the following types of in-person hearings:**

Fact-finding hearings in Delinquency cases—priority will be given to respondents who are securely detained, followed by respondents who have been placed in shelter houses, and then respondents who are in the community. In-person hearings may be granted for any other case types for good cause and with the approval of the Family Court Presiding Judge or Deputy Presiding Judge. In-person hearings will be held in courtroom JM-2 and other courtrooms depending on availability. The trial judge will address any concerns relating to these hearings at a pre-trial hearing.

- Factfinding hearings for juveniles may occur in-person (see above for the Family Court in-person trial section). Factfinding hearings may occur remotely only if the Court finds for specific reasons that the factfinding hearing in that case cannot be further delayed without serious harm to the interests of justice, and only with the consent of the respondent after consultation with counsel
