Tips for Attending Remote Hearings – Criminal Division

Many courtrooms are closed because of the COVID-19 or coronavirus pandemic. Your court hearing may be held remotely. This means that you will participate by phone or by video conference instead of coming to the courthouse. Here are some tips on how to prepare.

How do I know if I have a remote hearing?

The Court or your attorney will contact you to tell you that your hearing is remote. They may contact you by sending you an email, letter in the mail, or by calling you.

How do I take part in the remote hearing?

The Court or your attorney will give you step-by-step instructions on how to take part in the remote hearing.

If you lose your written notice, call the Criminal Division for instructions at:

(202) 879-1373

Is there anything that I should do before the day of the hearing?

Let the court and your attorney know immediately if you cannot join a hearing because you do not have a phone or computer.

You may want to contact your attorney for legal help including issues related to evidence, witnesses or submission of other documentation.

Accommodations & Language Access: let the court and your attorney know if you need an interpreter or other accommodation for your hearing.

Tips for the Hearing

- Join the hearing a few minutes early!
- Charge your computer or phone and make sure you have enough minutes to join the call. Find a private and quiet space. If possible, be alone in a room during the hearing. Try to limit distractions as much as possible. If others are in the room with you, ask if they can be quiet during the hearing.
- Mute your microphone when you are not talking.
- Mute all sounds on your phone or computer.
- Say your name before you speak so the record is clear. Be prepared to identify your role in the hearing (e.g., observer, plaintiff, defendant, witness, etc.).
- Speak slowly and clearly so everyone hears what you are saying. Pause before speaking in case there is a lag. Use a headset or headphones, if you can. This will free up your hands and sound better.
- Try not to talk over anyone else. Only one person can speak at a time. If you talk while someone else is talking, the judge will not be able to hear you.
- Have all your documents for the hearing in front of you.
- Have a pen and paper to take notes.

Special Tips for Video Hearings

(Click [here](#) for more information)

- Download the court's hearing software, WebEx, in advance and do a test run! The Court will provide you with a WebEx link in advance of the hearing.
- Set up the camera at eye level. If you are using your phone, prop it up so you can look at it without holding it.
- Look at the camera when you speak and avoid moving around on the video.
- Wear what you would normally wear to court.
- Sit in a well-lit room with no bright lights behind you.
- If possible, find a blank wall to sit in front of. Remember the judge will be able to see everything on your screen, so pick a location that is not distracting.

Tips for Using DC Courts Remote Hearing Sites

The DC Courts have remote hearing sites available in various locations in the community to help persons who may not have computer devices or internet service at home to participate in scheduled remote hearings. The Courts are committed to enhancing access to justice for all.

There are five remote access sites throughout the community which will operate: Monday – Friday, 8:30 am – 4:00 pm.

The remote site locations are:

If you want to use a remote site location for your hearing, call 202-879-1900 or email DCCourtsRemoteSites@dcsc.gov at least 24 hours before your hearing to reserve a remote access computer station. If you require special accommodations such as an interpreter for your hearing, please call 202-879-1900 at least 24 hours in advance of your hearing so the Courts can make arrangements.

You should bring the following items when you come to your scheduled site location

1. Your case number and any hyperlinks provided by the Courts for your scheduled hearing.
2. Any documents you need for the hearing (evidence), including exhibits, receipts, photos, contracts, etc.
3. Materials for notetaking, including pen and paper.
4. A facial covering will be required for entry into the remote hearing location; if you do not have a facial covering one will be provided.

*Safety and security measures are in place at the remote sites.
