E. Special Accommodation Request (if applicable): The Committee is committed to providing reasonable and appropriate accommodations to examinees with documented disabilities who demonstrate a need for accommodations in accordance with the Americans with Disabilities Act Amendments Act of 2008.

1. Policies: The Committee will make reasonable modifications to policies, practices, and procedures that might otherwise prevent individuals with disabilities from taking the District of Columbia Bar Examination (bar exam) in an accessible place or manner, provided such modifications do not result in a fundamental alteration to the examination, impose an undue burden, or jeopardize examination security. Applicants should review the Testing Accommodations Test Day Policies for a list of items that may be brought to the test center. Applicants do not need to request accommodations to bring allowed items, provided that use of such items will not require any deviation from the standard test schedule or other policies.

2. Documentation: To request special accommodations, under the “Register for UBE” tab of the online application, applicants must click “Submit Application,” then click the “I need a test accommodation” box and must upload the following documentation in support of this request:

3. **Deadlines:** The documentation and any request for reconsideration must be uploaded by the late filing deadline. Applicants are advised to submit accommodation requests as early as possible.

X. **Previous Scores:** Applicants may transfer prior, eligible MBE or Essay scores from a previous administration of the examination, pursuant to Rule 46. However, applicants who transfer these scores do not obtain a portable UBE score.

A. **MBE score transfer:** Applicants may request that the Committee accept an MBE score from a prior bar exam administration per Rule 46 (c)(8)(B), requiring a minimum score of 133 on an examination administered within 25 months of the present exam. To request a transfer, under the “Register for UBE” tab of the online application, applicants must click “Submit Application,” then click the radio button requesting use of a prior MBE score. Applicants must also request an official transfer of their MBE score to D.C. Applicants must request the score transfer through the NCBE website, MBE Score Services section, or the jurisdiction where they took the MBE. The address for the score transfer is Committee on Admissions; MBE Score Transfer; 430 E Street, NW; Room 123; Washington, D.C. 20001. Applicants are advised that a score from a prior exam does not produce a portable UBE score.

B. **Essay scaled score transfer (if applicable):** Applicants may request that the Committee accept an essay score from a prior bar exam administration in D.C. per Rule 46 (c)(8)(C), requiring a minimum score of 133 on an examination administered within 25 months of the present exam. To request a transfer, under the “Register for UBE” tab of the online application, applicants must click “Submit Application,” then click the radio button requesting use of a prior essay score. XI. **Information about the Examination:** The Uniform Bar Examination (UBE) is composed of three parts:

- Multistate Performance Test (MPT), comprised of two questions to be completed during the three-hour Tuesday morning session (90 minutes each question);
- Multistate Essay Examination (MEE), comprised of six questions to be completed during the three-hour Tuesday afternoon session (30 minutes each question); and
- Multistate Bar Examination (MBE), comprised of 200 multiple-choice questions to be completed during the two three-hour sessions Wednesday.

The total raw score on the written component and the raw score on the MBE are weighted and scaled by the National Conference of Bar Examiners in accordance with UBE policies and are added together to yield a combined UBE scaled score. An applicant who takes both the written portion (MEE and MPT) and the multiple-choice portion (MBE) of the bar examination must achieve a combined scaled score of 266 to pass the examination. For an applicant whose score transfer has been accepted by the Committee to pass the D.C. bar examination, he or she must achieve a scaled score of at least 133 on the portion of the examination being re-taken. More information on the UBE is available through the National Conference of Bar Examiners’ website.

It is usually 8:00 am, and each day’s testing is typically complete by 5:30 pm. **Late arrivals will not be admitted.** An applicant who does not appear for the morning session will NOT be permitted to participate in that afternoon’s session.
