

NOTICE OF THE October 2020  
BAR EXAMINATION RESULTS

December 11, 2020

Notice is hereby given that the list published herewith contains the names of 1290 successful applicants who sat for the District of Columbia Bar Examination, which was administered on October 5-6, 2020 to 1682 applicants. This represents a 76.6% pass rate overall. All applicants have been notified individually by email of their results.

A completed character and fitness review, and proof of an MPRE minimum score of 75 are required before an applicant may be approved and certified for admission.

The members of the Committee on Admissions request that any information tending to affect the eligibility of any of these applicants on character and fitness grounds be furnished to the Committee on Admissions on or before Monday, December 21, 2020 by 12:00pm Eastern time.

Certification notices will be emailed to applicants approved for admission on a rolling basis beginning December 21, 2020. A formal swear in ceremony will be held remotely on January 27, 2021. Applicants may register for the ceremony January 6<sup>th</sup> to 22<sup>nd</sup> through the Committee on Admissions webpage on the District of Columbia Court of Appeals website.

Applicants may also be sworn in, *in absentia* in any jurisdiction. Complete instructions regarding the swearing-in process will be provided with certification notices.

Individuals whose names do not appear on this list should be aware that scores are final. Pursuant to D.C. App. Rule 46(c)(12), unsuccessful applicants are entitled to an opportunity to review their essay papers, in person. Exams will not be emailed or be sent by U.S. Mail. The Court of Appeals is currently closed because of the COVID 19 pandemic. The post-examination review will be scheduled after the Historic Courthouse re-opens. Instructions for registering will be posted on the Committee on Admissions website.
