The is responsible for routine service in Civil Protection
Order Cases and will make reasonable attempts to accomplish service. Please assist PWS by printing all
you know about the Respondent on this Description Sheet. Although you may write "unknown" if
necessary, you should understand that incomplete information will possibly result in routine service
delays. If you become aware of additional information which will assist PWS in serving the Respondent,
please call PWS at (202) 727-4450.

Please understand that PWS will not always be able to accomplish service within the same period set by
the court. For that reason, you will leave with two copies of the contents of the service package. One
copy is yours to keep. The other copy will be placed in a sealed envelope for service upon the
Respondent. You cannot serve this on the Respondent yourself. You may give the sealed envelope to any
Officer who can serve the Respondent at your request or you may
give the packet to someone else (a friend, relative or professional process Server), who is over 18 years of
age. This person must: (1) hand the service packet to the Respondent; (2) fill out the court's Return
Service form in front of a notary or court clerk; (3) return the Return of Service form to the DC Clerk in
Room 4242 as soon as possible; and (4) call PWS at (202) 727-4450, between the hours of 6:00 a.m. and
2:00 p.m., Monday through Friday, to advise that you have served the Respondent.
