The court has considered the Motion to Authorize Service by Posting, the affidavit of efforts from the Diligent Search Unit of Child and Family Services attached thereto, and the responses and arguments, if any, of all parties. Mother's counsel advised chambers that his client opposed the motion but no written opposition was filed. The Court finds that the requirements for constructive service by posting have been met and that further efforts to personally serve the mother would be futile. Accordingly, the motion shall be and hereby is **GRANTED**; and it is hereby:
